SENIOR DOORS

# *Dedicated to . . .*

MR. BERNARD A. BRICKER

To Mr. Bricker, who is always ready, willing, and able to help anyone who may need help, we gratefully dedicate this annual with the sincere wish that the future will bring the best to him.

# Administration

Rossford Schools are not only training us for democracy, but are also giving us an adventure in democracy.

# The Peoples' Choice

First row: Werner, Burrell, Juergens.

Second row: Kelly, Langevin, McCaslin.

The peoples' choice is a very fitting name for the Board of Education.

These people are selected by the electorate of our community as being capable and well able to be at the head of the school that their children attend.

The citizens should feel secure in placing their children's school lives under the jurisdiction of these few select people.

Thus we have choice people of the peoples' choice.

# The Superintendent Speaks . . .

When I was a boy in school, my parents and teachers impressed me with the idea that things of value in life can be attained only through hard work. Now after years of experience and observation, I am convinced that what those advisers told me is still true. The boys and girls who receive the high grades in their classes do it, not because they have so much more ability than their classmates, but because they are willing to toil industriously until their task is done, while others perhaps are satisfied "just to get by."

As it is in school, so is it in life after formal school days are over. The successful and happy men and women are those who have learned to work at the job until it is well done, regardless of how long it takes or how weary they may be. "They while their companions slept, were toiling upward in the night."

Sincerely yours,

F. R. McLaughlin.

MR. F. R. McLAUGHLIN

MR. G. H. BURNS

# *Our Principal Speaks . . .*

"May the years you have spent in Rossford High School help you to appreciate the value of self-control. That by the exercise of self-discipline unworthy desires may be subjected to a will that knows what is best for the body, that the drudgery and sorrows of life may be met with cheerfulness and patience, and that well disciplined minds may on occasion lift you to lofty heights of achievement, I urge you to practice this virtue."

"'He who reigns within himself and rules passions, desires, and fears is more than a king.'"

—Mr. G. H. Burns.

# Class History

We, the great class of '41, proudly passed into our Freshman year with an enrollment of 104 students, the largest class in the school's history! Handsome Jim Stanford was elected president of the class that was to be heard. The saying goes that children should be seen and not heard. Our class, though, was one that couldn't help being seen and one that was always heard.

From thence we marched into our sophomore year. The class had slightly decreased in number but we were well up there in size. With John Knurek as president, we put on a Sophomore Spring Swing which was more of a success than was anticipated.

Juniors, 88 strong, we pushed all customs aside. We produced no Junior Play but from our candy sales and a very successful dance we gave the Seniors a ball which was held in the Woman's Building. John Knurek was our president during this school year.

Embarking on our last journey through school life we placed Gus Boenko at the helm. Again we broke a precedent of our predecessors. No Senior Play was put on by the "dignified" Seniors. In spite of the failure of plays we are always able to put over dances. Such was the Senior Dance. A remarkable success! The Senior prom was a dance that will always be remembered. Commencement! Ah! We have reached our goal. Our motto was chosen with this thought in mind! "We came, we studied, we conquered." So ends the history of a class that always will be remembered for their "memorable" thespian abilities. We take our place in society, and we wish all the luck in the world to the class of '42.

COACH LEWIS

Mr. Lewis, after coaching at St. Mary's High School, stepped in the role as head football coach of Rossford at the beginning of the 1940 season. Despite the handicap of last year's graduating lettermen and a rather green squad, Mr. Lewis nevertheless produced a commendable team.

Climaxing a rather good season with a 19-6 win over Holland, the Bulldog football squad closed the scorebook on another season. With a new coach, Mr. Robert Lewis, former alumnus of Rossford High School at their helm, the year ended with 3 wins and 5 defeats. This was a year of rebuilding, as many of the boys this year were out for the first time and had little experience. However, with such experienced players as Ed Killian, Jim Falls, Ed Soviar, Alvie Richards, Emil Seman, Paul Soviar, Frank Johnson, Mike Cervenec, Mal Coffman, Joe Radocy, Ed. Wayton, and a few others returning, a good season is anticipated for next year. Coach Lewis will be deprived of the services of these graduating seniors: Co-captains Denko and Hrichovsky, Ted Rysz, Carl Werner, Ed Mazur, Leo Rovnan, Bob Bayless, John Knurek, John Takats, Ralph Eickholt, Ed Kusner, Joe Olszanski, Gus Boenke, Joe Zemansky, John Szypka, and Ernie Radocy.

# Varsity Basketball Results

With the closing of the 1940-41 basketball season, so also closes the high school careers of five of the varsity squad. Showing the traditional fighting spirit and good sportsmanship, the following boys will be sorely missed by Coach Wolfe next year: Captain Gordon Brown, Bill Maddock, Ed Kusner, Vince Hrichovsky, and John Takats. Returning next year will be Mike Cervenec, Jim Falls, Steve Verbosky, and Alvie Richards.

The team came through a tough season with 13 wins and 2 losses. In the Class "A" Tournament at Toledo University, Rossford defeated Devilbiss in their initial appearance, but lost the second game to a strong Central quintet in the semi-finals. With a total of 596 points to their opponents 426 points, the boys showed their versatility and ability to good advantage.

COACH WOLFE

Mr. Wolfe, with the successful closing of his 13th year of varsity coaching, has again added to his well deserved laurels. He is to be highly complimented for the ideals of sportsmanship which he stresses. His schedule results speak for his coaching ability.

# Goal Getters

COACH CRAMER

Mr. Cramer, who has done a fine job with the lightweights, again will assume duties next year in aiding to produce future varsity basketballers.

The lightweights came through the season with a commendable record of 10 wins and 6 defeats. Composed entirely of underclassmen, the lightweights are primarily coached for future varsity use. With a next year's berth on the varsity, these boys have something to look forward to.

## LIBRARIANS

The librarians are composed of senior high girls.

A librarian is in charge of the library each library period, to assist pupils in selecting books.

The motto of the librarians is "service."

At the end of three years' service the girls are given pins.

The librarians' duties are to keep a file of books, check books in and out, and keep the stationery stand.

# Juniors Score Hit With Play

"The Whispering Room", a mystery comedy presented by the Junior Class of 1940, had plenty of thrills and chills, which included an attempted murder, and a kidnapping in a whispering room. Love found its way and conquered all. Boy got girl, villain got twenty years in jail, and Mrs. Jennings, an old real estate agent, had to eat her own words, and everybody was very happy.

The action took place in the old Worthington mansion, in the country, on an evening in autumn.

**LIBBEY · OWENS · FORD GLASS COMPANY**

A disappearing dressing table and mirror, attached to the back of a closet door. Saves space—adds convenience.

Storm windows reduce draughts and condensation, make homes more comfortable, reduce heating costs up to 30%.

Color and cheer are added to bathrooms by Vitrolite wall glass. It cleans with the wipe of a damp cloth.
